The journey of the school started with the intention of imparting quality and value based education at an affordable cost, and to stand committed to transparency, excellence & integrity in all its endeavors to reach its goal.

Leadership is the essential resource for creating and sustaining an organization. Sreyas Public School had the privilege of having dynamic leaders committed towards achieving academic excellence. The journey begins with Prof; K K Rajappanchari Sir as the first Principal and with 55 students on the first day .

The commitment, discipline and the systematic approach of Mr V R SOMAN , as Principal from the year 2001 onwards succeeded in obtaining the major tasks of affiliation of the school to CBSE Board and the first batch of 9 students appeared for class X Board exam in the year 2003.
